

## Topic examples I support:

- Leadership, decision-making and own reflective practice
- Support career and life transitions and reorientation “quests”
- Support change and adjustment in messy VUCA situations for individuals and teams
- Entrepreneurial mindset and strategy, building and growing an organization that reflects the person’s values and vision
- ... let’s discuss!

## Coach Profile Christine Locher:

- **Coach since 2007. Nominated for global EMCC Coaching Award.** Work in English and German. Coaching work featured in [the Book of Beautiful Business](#)
- Experienced learning innovation leader with 10 years’ experience in L&D in top-tier global professional services organizations, heading up various parts of L&D and designing and delivering training and leadership interventions (e.g. at The Boston Consulting Group).
- **Going deep on change – with a conversational, non-threatening style** (strong focus on values, purpose and authentic leadership) **and strong accountabilities to make things happen in real life and in a fast-paced commercial environment, or in transition to whatever wants to happen next**
- Author of “**Values-based: Career and Life Decisions that make Sense**”
- Author of “**the Decisive Edge – how exceptional leaders act on their Values, Intuition and Integrity to make better Decisions and increase Impact**” – launch in 2020
- Deep expertise in how humans learn and grow and what else is needed to make change stick individually and on a whole organization level. Holistic view on systems, structures, culture and processes as well as individual mindsets. Experience in working with this to create lasting change and engagement in new and existing businesses. Own facilitation and coaching practice, psychotherapy training

## Credentials:
